August 2014

August - The year has turned and the days are getting noticeably shorter. The prospect of cooler autumn days is fast approaching. So it is time to make the most of the last of summer sun for this year, before the barbecues, the paddling pools and tennis racquets are packed away for another year.

"A single sunbeam is enough to drive away many shadows" - St Francis of Assisi

Summer Sun

Great is the sun, and wide he goes
Through empty heaven with repose;
And in the blue and glowing days
More thick than rain he showers his rays.

Though closer still the blinds we pull
To keep the shady parlour cool,
Yet he will find a chink or two
To slip his golden fingers through.

The dusty attic spider-clad
He, through the keyhole, maketh glad;
And through the broken edge of tiles
Into the laddered hayloft smiles.

Meantime his golden face around
He bares to all the garden ground
And sheds a warm and glittering look
Among the ivy's inmost nook.

Above the hills, along the blue,
Round the bright air with footing true,
To please the child, to paint the rose,
The gardener of the world he goes.

R L Stevenson
